

Eligible Telecommunications Carriers  
Case No. U-18216

“Adopt and issue minute dated June 15, 2017, finding that all wireless eligible telecommunications carriers certified in Michigan must file information specific to the areas actually served in Michigan. This information should be in the format of a shape file or geodatabase or detailed specifically to indicate availability and location of customers currently served. This information must be filed in conjunction with the annual re-certification filings (Form 481) and must be filed electronically with the Commission by July 15, 2017, in Case No. U-18216.”

MICHIGAN PUBLIC SERVICE COMMISSION

---

Sally A. Talberg, Chairman

---

Norman J. Saari, Commissioner

---

Rachel A. Eubanks, Commissioner

By its action of June 15, 2017.
